

# SCHOLASTIC

Dear Awesome Room 430 Families,

Good news! This month's Scholastic Reading Club flyers are ready for you to explore with your hawk. We all tend to read more when we choose our own books, so I encourage you to look at the flyers together. Each flyer is filled with interesting and affordable books that are just right for 4<sup>th</sup> grade! This month, you can find lots of diverse and creative stories just waiting to be read!

With Scholastic Reading Club:

- Every book you buy earns FREE Books for our classroom Book Nook!
- You can choose from handpicked, grade and reading-level-specific books for your hawk.
- You'll find the best values on a variety of formats, including eBooks.

This month, your hawk will bring home Reading Club flyers. Together you can choose from books hand-selected by teachers and experts, and then either order online or by returning your order form and payment to me.

Not sure what books to get? Here are a few of my personal favorites...

- Frindle By **Andrew Clements** [Item #: 2986]
  - *Read this great book written by my uncle! Just kidding... we are not related. ☺ This book is about a boy named Nick, who in trying to get out of doing work by delaying his teacher's lesson, ends up with a huge dictionary assignment as **extra** homework. This gets him thinking and he decides he is going to invent a word. What follows is a hilarious and creative story about a mischievous boy who ends up making a big difference in his world. This is a must read!*
- The BFG By **Roald Dahl** [Item #: 15Y6]
  - *If you have never had the pleasure of reading a Roald Dahl book, you are in for a goofy, quirky, and fun treat! The BFG or The Big Friendly Giant, is a great story about a big friendly giant who is unlike all other giants. For a start, he doesn't like to eat people and it's not long before he becomes best friends with an orphan named Sophie. I think you will enjoy this great tale!*
- I Am Malala By **Malala Yousafzai** [Item #: 43Y6]
  - *When the Taliban took control of the Swat Valley, one girl fought for her right to an education. On Tuesday, 9 October 2012, she almost paid the ultimate price when she was shot in the head at point-blank range. Luckily, she survived, and instead of hiding, she had the courage to continue to speak out against the hatred and crime in her country, and continued to fight for the right to an education. If you want to read about a real-life person who is incredibly brave, read more about Malala Yousafzai!*
