

Dear Fourth grade families,

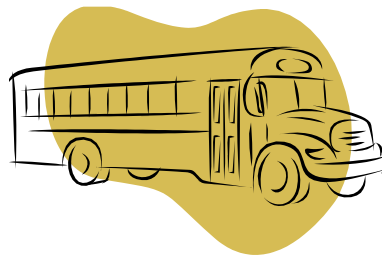

The fourth grade teachers are asking for a \$35 donation from each child to go toward field trip expenses and a few special supplies used for projects throughout the course of the year. In addition, bussing is a big part of every field trip expense and due to capacity restrictions; we must take two busses on every trip.

Please check the payment option below that best fits your family and return as soon as possible.

Thank you for all of your support so far this year!

Sincerely,

The Fourth Grade Teachers

Field trips taken in fourth grade: MSU Seeds of Science at the Children’s Garden, OHS marching band trip, OHS Orchestra concert, the State Capitol, Michigan Historical Museum and Encampment at Lake Lansing.
