

ROOM 430 FAMILY PHOTOS

Hello Room 430 Families,

To help build an awesome Room 430 community, I am encouraging students to send in a photo of their family. Having family photos in our classroom helps showcase the awesome diversity of our Room 430 family and it also builds empathy as we can learn to celebrate and appreciate the things that make us the same and the things that make us different. This activity also helps students feel empowered by being able to see their family represented on our wall and it helps build a sense of positive ownership in their new classroom space.

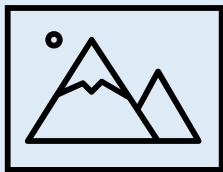

Room 430 would love to include your family photo on our classroom wall. The photo can be a recent photo, or it can be a photo from a few years ago. Any size is fine as we have lots of different frames to put it in!

If you are willing to share a photo of your family, there are three different options listed below. Thank you for your support in this Room 430 project! I look forward to seeing your family photos!

Mr. C.

Option #1

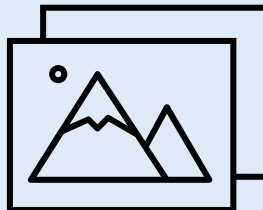

Send in the **original photo**

If you are willing to send in the original photo, I will make a copy of it and send it back home with your 4th grader. If it is a valuable photo and there is no way for it to be replaced, please do not send it in. I would hate for it to get damaged.

Option #2

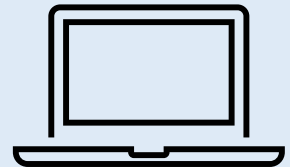

Send in a **copy** of the **photo**

If you have more than one copy of your photo and you do not need it returned, I will keep the photo till the end of the year. At the end of the year on our last day of school, your 4th grader can take the photo home with them or throw it away.

Option #3

Send a **digital photo** through **email**

If you have access to a digital copy of your photo and would like to send it via e-mail, please attach your photo and send it to adam.clements@okemosk12.net Once received, I will respond to your e-mail confirming if the attachment worked or not.
